very ordinary, & travayant. He
wants Rs 42½ for a Warm coat & a

Enclosure No.

Requesting sanction for increasing the Budget grant for this office under the head "Contingencies" from Rs. 600 to Rs. 1080 for the reasons stated therein.

Under these circumstances I request that Government sanction may be obtained for the above increase of Rs. 480 under the head Contingencies as the present grant of Rs. 600 is hardly sufficient to meet the expenditure under other items of contingencies as shown in the Budget for the year 1903-4.

I have the honour to be,

Sir,

Your most obedient servant,

A Lehmann

Agricultural Chemist.

Proceedings of the Govt of Mysore

Read:-

Correspondence ending with letter No. 743 of the 11th March 1904 from the Agricultural Chemist requesting that an additional Sum of Rs 480/- may be Sanctioned under the head Contingencies for year 1903-1904 as the present grant of Rs 600/- is not Sufficient-

Do. Jl 2848 D/15/4/04

order thereon: Dated Bangalore 6th April 19

The additional grant applied for is ~~Sanctioned~~ for the purchase of furniture a cost of 100 Rs, and for the Supply of clothing to menia a cost for 375 Rs. The Govt think that the Agricultural Chemist ought to be able to manage on the funds ~~already~~ already Sanctioned viz 600, as they are fairly ample. Further the curr Govt year is near its close. This matter will be taken into Consideration while passing the Budget of 1904/1905.-
